WHO WE ARE

More than *80% of Sikh* heritage is in Pakistan.

We exist because that fact deserves a response equal to its significance. Baarik Yatra is the specialist pilgrimage arm of Baarik Travel & Tours Inc., a registered Ontario travel agency, operating under RCIC oversight by Amer Rehman (R515343). We plan, coordinate, and accompany Canadian Sikh families through the gurdwaras of Pakistani Punjab — with the depth, care, and cultural accuracy this journey demands.

We are not a generic tour operator who added Pakistan to a destination list. This is our singular focus. We know the gurdwara committees, the permit pathways, the heritage guides who speak Punjabi with their hearts.

Every itinerary we build reflects years of direct relationships with the Pakistan Sikh Gurdwara Parbandhak Committee (PSGPC) — the body that manages these sacred sites and issues the invitation letters required for pilgrim visas.

THE PILGRIMAGE CIRCUIT

Four sites. *Five centuries* of history.

The gurdwaras of Pakistani Punjab are not replicas or memorial sites. They are the actual ground where Guru Nanak Dev Ji was born, preached, farmed, and rested. Walking here is categorically different from any other Sikh pilgrimage.
